

ANUTRA® MICROFINE CHIA POWDER

PRODUCT DESCRIPTION

Micro-milled chia powder is golden brown in color with a very mild toasted grain flavor, processed from whole grain *Salvia hispanica* L. This product is 100% Organic without any preservatives or additives. Anutra™ Microfine Chia Powder is naturally high in Omega-3, 6 & 9, complete protein, antioxidants, calcium and dietary fiber. It is made under Anutra's patented process with strict guidelines for quality, food safety and sustainability. Anutra™ Powder is partially water soluble under moderate shear and produced in an ISO 22000 and HACCP compliant facility.

PRODUCT CHARACTERISTICS

	Parameter	Represents	Method
Physical Chemical	Color	Golden Brown	Visual Inspection
