Why MIGHTY MILK is the World's Healthiest and Best Tasting

WORLD'S HEALTHIEST Milk is one of the most nutritious foods on earth that is biblical and has been used vigorously by mankind for thousands of years. Milk together with Plant-Based ALA Omega-3s create the healthiest new cells. These longevity promoting powerful new cells deliver more energy, stronger more elastic muscles and skin, stronger bones and teeth, healthier heart and brain, reduces illness and makes everything in our bodies work better.

OPPORTUNITY Because of societal changes, Americans fall short of Plant-Based ALA Omega-3s (1,600mg RDV). This shortfall is associated with most major illnesses. DHA & EPA from all fish, fish oil and other marine sources Do Not work. The FDA has made DHA & EPA label claims inconclusive and illegal.

SOLUTION Plant-Based ALA Omega-3s, found abundantly in Anutra, are approved by the FDA, USDA, AMA, NHS, WHO and scientists worldwide as the only essential Omega-3s. Plant-Based ALA Omega-3s, keep all cells healthy and populations thriving worldwide.

BEST TASTING It's simple, MIGHTY MILK is made from the finest all natural ingredients like high quality non-growth hormone milk, chocolate, natural sweetener, Anutra whole grain Plant-Based ALA Omega-3s and other wholesome ingredients.

*Produced without artificial growth hormone (rBST). No significant difference has been shown between milk derived from rBST-treated and non-rBST-treated cows.

**No rBST Synthetic Hormones
Carrageenan Free**
